BACnet & BMS Journal India – First Issue Available

Dortmund, April 26th, 2019. – The first “BACnet & BMS Journal India” is now available and features 4 solution and 6 product articles. In addition, there are two “Insight” topics and a report on the INBAC Initiative for Open Systems Building Automation in India can be found in the “Global” section.

The preface from H. Michael Newman, founder of the BACnet standard, provides a glimpse into efficient building solutions in India. Moreover, the SAUTER SLK Green Park Campus in Bangalore offers a whole new level of application for BACnet in India. SIERRA ODC gives an impression of their Smart Building Management solutions in the eFACiLiTY® Building in Coimbatore, India.

The initial issue of the "BACnet & BMS Journal India" appeared shortly before the WorldBuild India in Mumbai and is available as a PDF and Flip Page Document: www.bacnetjournal.org/india.

About the BIG-EU

The BACnet Interest Group Europe (BIG-EU) promotes the application of the global BACnet communication standard ISO 16484-5 in building automation and security technology in Europe. It was founded in 1998 by 18 building automation companies and currently has over 130 members from Australia, Austria, Belgium, Canada, Czech Republic, Denmark, Finland, France, Germany, Ireland, Italy, the Netherlands, Norway, Poland, Spain, Sweden, Switzerland, Turkey, United Kingdom and the USA. The objectives of the BIG-EU are the perception of European interests in the development of the BACnet standard. There is also an exchange of information with the BACnet-responsible ASHRAE committee "SSPC 135" and the American BACnet community. The group also has a joint marketing policy and qualification offer and has jointly developed technical guidelines. Further information is available at www.big-eu.org.
